EXPERIENCE THE TASTE OF EUROPE AT YOUR NEIGHBORHOOD

A true culinary treasure in historical Melaka. This is one of the rare places where the owner is also the chef, and inspired by his experience as a chef in Ireland, Chef Neville Nathan brings to the table an authentic taste of Continental Europe. A man who is truly passionate in creating great food in Melaka, he takes the time to get to know his customers by personally serving them.

Serving fairly big portions with indulging mouthwatering dishes such as Rib Eye Steak (grain fed), Millers Calzone, Spaghetti Meatballs, Lamb Shank, Cajun Prawn Salad and Chicken Burgers. Every dish is perfectly seasoned, flavored, well thought out and balanced.

Unique to the Miller's Kitchen is their famous Homemade Mushroom Soup. Rich, fragrant and super creamy, this mushroom soup is a recommended starter to warm up your tummy for a great appetite.

This restaurant is perfect for your impromptu get together with friends, weekly family gatherings. Treat that someone special to a relaxing lunch for 2 at our neighborhood restaurant.
