**We** are the first American fast gourmet pizza eatery!

We take pride in using only the best and freshest ingredients for our customers. Our fresh pizza doughs are made from 100% genuine Italian flour with a touch of virgin olive oil. No preservatives or trans-fat; our pizzas are freshly-baked, and modestly priced to cater to every individual at excellent quality.

Enjoy up to 12 signature pizzas catered to all taste buds, either in thick or thin crusts. We've got pizzas ranging from our specialty Fisherman's Catch (Seafood) to Premium Pepperoni delight.

Equally tempting is our great range of pastas that are customisable to your fancy. Simply decide on the sauce you want – Carbonara, Arrabiata or Pomodoro, and pick either seafood, beef, chicken or vegetarian. You may also add on further ingredients that are laid out before you as you place your order.

Not just great pizzas, we also place an array of great pastas and salads, as well as drinks to complement that gourmet experience. Hurry, head over to our outlet to savour on a variety of delectable spreads. Good food is meant to share amongst family and friends.
