JUNIOR CHELLAPA is more than capable of charming fans of South Indian fare. This might be a nascent name in KL's F&B landscape, but a peek into its interior proves that its founders have created a restaurant to respect, teeming with ravishingly intricate artwork, vintage photographs & thoughtfully selected ornamentation spread across two sprawling levels, proudly showcasing the Chettinad heritage within the colonial-era confines of the Old Malaya gastronomic hub.

JUNIOR CHELLAPA @ OLD MALAYA, RAJA CHULAN

An uncomplicated menu listing appetisers, soups, seafood, chicken, mutton, vegetarian, house specials and tandoor specialties makes it easy for diners to find what they are looking for.

The fairly priced selection is expertly executed across the board, served by a team that works hard to please. You'll find plenty of intriguing specialties that span both land & sea, from chunky-smooth New Zealand lamb ribs with tomato masala sauce to a whole fresh pomfret fish prepared in banana leaf, fragrant with a creamy paste constructed of cardamom, cloves & more.

Round out your meal with the Sultani Grilled Prawns which features Sabah fresh water prawns in skewers, cooked on a hot plate. Taking on a lighter shade of pale is the Chicken Pasanda, a luscious offering with almonds and cashew nut paste in its creation.

For excellent South Indian dishes, Junior Chellapa is highly recommended. Check out our menu and excite your taste buds today!
